EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: Claims 12-14 are cancelled.

2. The following is an examiner's statement of reasons for allowance: The prior art does not provide for a sandwich panel, comprising:

a first face panel having a first predetermined thickness and being formed of a fiber-reinforced cementitious material;

a second face panel having a second predetermined thickness and being formed of the same fiber-reinforced cementitious material as the first face panel;

a support frame for supporting the first and second face panels in a spaced apart configuration, the support frame being formed of the same fiber-reinforced cementitious material and being continuous with the cementitious material of the first and second face panels and disposed therebetween; and

an insulation material embedded in the sandwich panel that defines a structure of the support frame.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
